Brian – Here are all of the sites that your name is associated with the RPM Access Role in CERCLIS. As discussed and as promised on our bus ride home yesterday evening, I've listed the Enforcement Specialists that are associated to those sites. I know you had a question about a Consent Decree Action for one of the sites that I cannot recall which one, but I told you to check with the Enforcement Specialist over the site.

Good luck.

Monroe Auto - Kenneth Talton  
Ruston Foundry – Lance Nixon  
Imperial Refining – Kenneth Talton  
Falcon Refinery – Robert Werner  
Delatte Metals – Lance Nixon  
Compass Industries – Stephen Capuyan  
Combustion – Kevin Shade  
AT&SF (Albuquerque) – Robert Werner

Thank you,  
Alice
